Founded and directed by Faina Lushtak, the Concert Piano Series seeks to present great music literature through performances by artists of the highest caliber.

The Concert Piano Series offers performances to the public completely free of charge. We are proud to bring internationally recognized performers, such as Sergei Babayan, Vladamir Viardo, Ian Hobson, Alexander Korsantia, Angela Cheng, and Seho Young to the Dixon Hall stage for the education and enrichment of Tulane students and the New Orleans community at large.

This series made possible through the kindness of the Downman Family.
