# Summer Lyric Theatre

## Endowment Campaign

We recently launched an Endowment Campaign to sustain Summer Lyric Theatre at Tulane University for decades to come. Your support is critical to ensuring the following:

- ☞ **Stability.** For 45 years, we've presented exceptional musical theater to New Orleans. Building a \$500,000 endowment will allow us to continue this tradition through good economic times and bad.
- ☞ **Quality.** The productions you've come to expect from us, always with full orchestral accompaniment, are unique to Summer Lyric Theatre. We want to maintain this standard of excellence well into the future.
- ☞ **Affordability.** We would like to keep ticket prices reasonable so that people of all ages can discover musical theater and enjoy it throughout their lifetimes.

**Please give today. Any amount counts!**

You can make a tax-deductible donation or pledge with the enclosed giving card. For planned giving options or any questions, please call Suzanne Anderson at (504) 247-1375.
