- Must be a political science (PSDV, POLI, POLC, POLA, POLT) class

*Students must also maintain a minimum major GPA of 2.0*
Foreign Language Component

Students must successfully complete one additional three-credit course beyond the minimum requirement for the School of Liberal Arts, which is generally a 2030-level class. Our requirement, therefore, is a 2040-level class or above and taught in the target language.

Internships

Students may not exceed SIX credits of internship toward graduation and can count only one internship (POLS 4560) toward elective requirements. Internships do NOT fulfill the requirement for 4000-level courses.

Residency Requirement

At least one-half of the coursework for the major and the minor must be taken in residence.

PSDV-Acceptable Undergraduate Electives outside of Political Science:

Many of these have pre-requisites; please check the University Course Catalogue for more information.
