To: Director of Graduate Studies

Department: Political Science

Mr./Ms. _____

Tulane ID# _____

Please find the names and signatures of the proposed dissertation committee below. The members of the committee agree to assess the student's dissertation proposal through a public defense and to supervise the student's progress through completion of the project. The dissertation proposal must be unanimously approved by the committee. If, in the opinion of a majority of the committee, a student's work on his or her dissertation proposal or dissertation does not show satisfactory progress, the student will be notified, in writing, that his or her degree candidacy may be terminated. During the dissertation stage, normal progress is considered to be a chapter of written work for each semester, or its equivalent in terms of fieldwork, library research, or data collection and/or analysis.
